Mr. Abe Manley

Dear sir I am writting you
concerning a job on your Base Ball Club
for the coming season. I think that I am
in very good condition for your team for
this year. I had a very good season last
summer after I left the Clealand Bears
I was having lots of luck but you see I
couldnt play Ball for \$50.⁰⁰ a month
so that is why I quit. but after all I won
sixteen games and lost seven. but I had
learned how to pitch since I was with
your team in 1939. Mr Manley if you can
give me a break in your Spring training
and you can see wheather you can use me
or not, hoping to hear from you real soon
yours truly in sports
